Customer Reviews

Nice assortment of models. Some to please most anyone. Some of the models are nude, but you will not see any "naughty bits." They're really quite tame. This I not like someone grabbed a bunch of photos off the Interweb and reposted them. No model names, but photo credits appear in the back. I felt this was worth the price.

Was a waste of money. Would like to have my money back. Can see this in a jcpenny catalog. Such a waste.

Some handsome models. Not impressed over all though, I wouldn't by the magazine or subscribe at this point no nudes.

I never received it so its really hard to say when I do see it then I will comment on it thank you
Donald
