The Second String Quartet In F-Sharp Minor: Opus 10 (Norton Critical Scores)

Synopsis

Arnold Schoenbergâ™s Second String Quartet revolutionized western art music. For nearly a century, it has inspired composers, scholars, critics, performers, and visual artists.â Severine Neff re-creates for her readers the quartet's historical, cultural, and musical backgroundâ "its introduction of the human voice, its genesis during a personal crisis in the composer's life, the scandal at its premiere, and its endlessly controversial reception, both critical and analytic.â This volume includes a newly edited, authoritative score of the quartet, as well as previously unavailable and newly translated texts by Grant Chorley. "Indispensable for understanding one of the central compositions of the twentieth century."â •Walter Frisch, Columbia University.

Customer Reviews

What an interesting series! These Norton Scores not only present the latest definitive editions of scores, but also add much interesting historical and musicological commentary. The Schoenberg String Quartet #2 also has the vocal text to consider. All of it is covered thoroughly. If you're interested in this music, get this item.
