How To Remove ALL Negative Items From Your Credit Report: Do It Yourself Guide To Dramatically Increase Your Credit Rating

Synopsis

No more paying top dollar to attorneys and credit repair companies. The secrets are revealed. This book will teach you the incredibly easy process the professionals are using and charging thousands for. A simple step-by-step guide to remove all derogatory items on your credit reports, even if they do belong to you! Are charge-offs, repos, bankruptcies, judgments, short-sales, loan modifications, late payments, and collection accounts preventing you from receiving the new home or car that you dream of, or preventing you from getting a better job or credit card? Say no more, and make them vanish from your credit report file, so your FICO score will dramatically improve!

Book Information

Publisher: CreateSpace Independent Publishing Platform; 3.8.2013 edition (April 7, 2013)

Language: English

ISBN-10: 1484042298

ISBN-13: 978-1484042298

Product Dimensions: 6 x 0.2 x 9 inches

Shipping Weight: 5.3 ounces (View shipping rates and policies)

Average Customer Review: 4.4 out of 5 stars Â Â See all reviews Â (342 customer reviews)

Best Sellers Rank: #20,907 in Books (See Top 100 in Books) #9 in Â Books > Business & Money > Personal Finance > Credit Ratings & Repair

Customer Reviews

I've read over twenty different books about credit repair, several of them right here on . Many of those books, including this one, are quite good. The only reason I have decided to rate this book 3 stars instead of four is the price. For reasons I'll note down below, I think that this title is overpriced for the credit repair category. Almost all of the books that fall into the "credit repair" category here on provide essentially the same information, which is usually very general and easy to find online for free by searching Google. The TOC's of many of these books are similar to this:

1. What is a CRA (Credit Bureau) - their names, what they do, their mailing addresses
2. What is a Credit Score - what a FICO score is, how scores are calculated, how scores are used
3. Where to get your free credit report - annualcreditreport.com
4. How to read your credit report - what each section is, what information is on it, who is reporting the information to the credit bureaus
5. How to file a complaint with a Consumer Protection Agency - where to go if your disputes with the CRA's are unsuccessful

The above information comes directly from the CRA's themselves and from Federal

Consumer Protection Laws which are available online. The reason all of these books contain this same information is because the process for filing disputes is easily learned online. Because this information is so readily available for free from other sources (and cheaper from many other choices) the only real way to base an opinion on this book is to qualify it based upon its readability and value, as its content is essentially the same as that of many other providers.
