Beekeeping: An Easy Guide For Getting Started With Beekeeping And Valuable Things To Know When Producing Honey And Keeping Bees

Synopsis

Two audiobooks in one: Beekeeping: An Easy Guide for Getting Started with Beekeeping
Beekeeping: Valuable Things to Know When Producing Honey and Keeping Bees An Easy Guide for Getting Started with Beekeeping Beekeeping is a fun, easy-to-learn, inexpensive, and uniquely rewarding hobby that nearly anyone can do. Perhaps that's why it's growing in popularity, with new members joining local and national beekeeping groups in greater numbers each year, and new apiculture conferences and even scholarships coming online. Interest is up all around the world, as evidenced by numerous backyard beekeeping meetups, community workshops, and beekeeper training events that seem to crop up almost everywhere you look. This audiobook contains a wealth of knowledge that comes from years of experience, distilled down to the essentials that every beginner needs. It offers practical advice to guide you all the way through your first season, from sourcing bees and equipment right through harvesting honey and preparing the hive for winter. Wherever I could, I also included tidbits, tricks, and shortcuts I wish I had known starting out - anything to make the job of beekeeping easier for you on your first time out.
