# Transform Your Life: 10 Principles Of Abundance And Prosperity

## Synopsis

Are you ready to transform your career, your relationship, your wealth, and your life? Chris Lee shows you how to discover the overflowing abundance that is within you so you can create the prosperity that you deserve. This book reveals the life-changing principles of abundance and prosperity that Lee teaches in his highly acclaimed workshops, providing everyone with the opportunity to create their future, instead of waiting for it. Not only will you learn these monumental principles and how to properly implement them in your life, but you'll also learn: The 10 life-changing principles of abundance and prosperity that is vital to success in all areas of success.Â The one thing everyone must do before they can create abundance.Â How to uncover your limiting beliefs so you can awaken true abundance and prosperity. The right way to use visualizations, affirmations, and declarations.Â How to set goals and move towards them with persistence and clarity. How to shift your consciousness and inject positive energy into your goals and dreams. How to clear the negative emotions and feelings that create a barrier between you and the abundance you seekÂ

## Customer Reviews

Wow. I see a title like this and the walls and suspicion immediately come up. "Transform Your Life" sounds like a tall order, but I have to say this guide has proven to be a simple, practical way to actually begin to make the changes I want for my life. This is one of those books I will continue to read and apply as time goes on. This isn't another self-help book to add to the pile. This is a

WORKBOOK to get going and make it happen.

So many times one wonders when it comes to books like this "does the writer truly practice these principles and have abundance in his own life?". Having been to many of Chris' workshops and knowing a bit about him I was excited for this book because I know he DOES have the happiness prosperity and abundance that he wants others to enjoy. In this book he gives the principles he practices that have helped him create a great life and can help you do the same! A great read from a man who is a great example of what he preaches.

Chris Lee is a powerful coach who has inspired hundreds of thousands of people over nearly 30 years of work. I've personally been moved and inspired in my business and life and the principles in this book are universal in turning from a scarcity mindset to a life of abundance and prosperity.

Oh wow! I didn't realize what I was missing until I realized I wasn't missing anything. I already am abundant! I just get to know that every day! Chris Lee has really put Abundance into perspective in this book. I always thought abundant meant you got to own things. Things like enough money in the bank, furniture in the house, plenty of clothes on your back, etc.... In this book, Chris gave me the tools to realize abundance is not "stuff" it is a mindset and once I realize I am already abundant, this will open the door to being surrounded by everything I could ever want. Thank you, Chris, for giving me the best gift of a transformed life! One of my favorite quotes in the book is this, and I will leave you with this as I don't want to reveal too much, "When I live in gratitude, life will give me more to be grateful for"

This excellent book is full of inspiring stories and practical exercises that have honestly motivated me to push it up 10 notches with these 10 principles and continue transforming my life  
Principle 1: The Principle of Giving  
Principle 2: Letting Go  
Principle 3: Integrity  
Principle 4: Visualization  
Principle 5: Affirmation  
Principle 6: Declaration  
Principle 7: Persistence  
Principle 8: Surrendering  
Principle 9: Sourcing  
Principle 10: Surround Yourself with a Team  
I loved it! I recommend buying this book for yourself and a loved one!

Every time I've had the pleasure of being in a room with Chris I've walked away more inspired and motivated to live my best life. I'm excited that he's made a point of putting his insights into this book so I can take him with me now!

In top form, this book from motivational speaker and trainer, Chris Lee, leads you through the course of ALREADY being abundant. By giving , letting go and living in integrity, I've found my self worth has expanded. Having trained with Chris, this book, is a breath of fresh air and sets the stage for me to dream, declare, and deliver. Nobody wins unless we all win. Chris leads you into. A victory!

There's nothing new in this that Tony Robbins or Landmark Education or a thousand other success gurus haven't already said. HOWEVER, it is a quick read, solid advice, and if you do the quick activities along the way it can provide some good insight and a definite positive energy boost. If this is the first self-help book you've ever read, it's worth reading as a primer. If it's the 10th or 100th self-help book you've read, you might only find one or two fresh ideas, but that's not bad, right?
