Cartier Panthere

Synopsis

Silently stalking its way through Cartier iconography for a century, the Panther is the proud leader of the pack of precious animals that make up the famous Cartier menagerie. A superbly stylish influencer throughout history, the panther has been a symbol of power, seduction, and triumph since ancient times. Filled with stunning imagery including rarely seen drawings from the Cartier archives, *Cartier Panther* illustrates the panther in art history and popular culture, and chronicles the evolution and techniques of the Cartier Panther. Featuring texts by art historian Berenice Geoffroy-Schneiter, jewelry historian Vivienne Becker, jewelry technical expert Joanna Hardy, and fashion editor Andr   Leon Talley, this beautiful volume also includes a complete chronology of 100 years of Cartier Panther jewels.

It's Cartier and it's the best \$130.00 I've spent on a Coffee Table Book, there was that part of me that wanted to buy this in the store but I saved about \$70 getting it on ...Now about the book, all I'll say is If you LOVE or even Like CARTIER the you'll love this book, after all.....IT'S CARTIER...enough said.....RR
