International Health And Safety At Work: For The NEBOSH International General Certificate In Occupational Health And Safety

Synopsis

International Health and Safety at Work has been specially written in simple English for the thousands of students who complete the NEBOSH International General Certificate in Health and Safety each year. Fully revised in alignment with the April 2015 syllabus, this third edition provides students with all they need to tackle the course with confidence. Clear, easily accessible information is presented in full colour, with discussion of essential principles such as ILO and OSH conventions as well as legal frameworks from a range of countries. Aligned to the NEBOSH International General Certificate in Occupational Health and Safety Practice questions and answers to test knowledge and increase understanding Complete with a companion website containing extra resources for tutors and students at www.routledge.com/cw/hughes The only textbook endorsed for the NEBOSH International General Certificate in Health and Safety, International Health and Safety at Work remains the most effective tool for those working to fit international health and safety standards to local needs and practice.
