Gardner's Art Through The Ages: A Global History, Volume I

Synopsis

GARDNER'S ART THROUGH THE AGES: A GLOBAL HISTORY, VOLUME I provides you with a comprehensive, beautifully illustrated tour of the world's great artistic traditions! Easy to read and understand, the 15th edition of the most widely read art history book in the English language continues to evolve, providing a rich cultural backdrop for each of the covered periods and geographical locations, and incorporating new artists and art forms -- all reproduced according to the highest standards of clarity and color fidelity. A complete online learning environment, including all images and an eBook, also is available. The unique Scale feature will help you better visualize the actual size of the artworks shown in the book. "The Big Picture" overviews at the end of every chapter summarize the chapter's important concepts.

Architectural Sites with 3-D Views Beautiful full-color reconstructions. Exquisitely rendered by John Burge, these reconstructions are three-dimensional views of important architectural sites, helping you visualize what it might have felt like to walk through these sites when they existed! Scales Help You Visualize Size Scales are placed next to images in the text to help you better visualize the size of each work, which is critical in understanding the artist's purpose. Resources for Review and Retention "The Big Picture", a great full-page resource for review and retention,

concludes each chapter. This visual summary includes bullet-point synopses of the most important characteristics of each period discussed in the chapter, accompanied by small illustrations of characteristic works of the periods. As you review the summary points, you'll reinforce your understanding visually with the associated thumbnail images of representative artworks.

Video Clips Focus On Works of Art Over 100 video clips focus on specific works of art, approximately 20% of which are accompanied by in-depth descriptions of each work, including details within the work, comparisons with other works, mediums, and related trends in art history.
