'Knock Their Socks Off': With The Interviewing Edge

Synopsis

Grasping the fundamentals of interviewing skills is crucial for anyone experiencing the formal interview process. Not knowing what to expect, not knowing the basics of what you should and should not do, and not knowing what will make you a more attractive job candidate can all be the "kiss of death" as far as your chances of obtaining that position. Therefore, do not enter an interview unprepared with little knowledge. Be one of the few applicants who educate yourself, insuring that you will acquire the Interviewing Edge. To "stand out from the crowd," make this audiobook a must listen!

Customer Reviews

This booklet provides some of the best information if you are seeking a job in today's economy. The knowledge you gain from reading this will put you head and shoulders above your competition for any job you are seeking. After reading this booklet I was able secure a job in a group interview setting, in the competitive atmosphere of this setting I stood out and was able to secure my spot in the company. I am fairly certain that I would of not got the job without its information.

The information I received reading this product was incredibly helpful in my last job interview!there are many helpful tips and tricks that will help put you above other interviewees.
