## Synopsis

The Suzuki Method® of Talent Education is based on Dr. Shinichi Suzuki's view that every child is born with ability, and that man is the son of his environment. Students are taught using the "mother-tongue" approach. ## Customer Reviews

I really like that they included a version of the pieces with the piano accompaniment (& a heavily muted cello for reference pitches/timing). Overall a solid rendition with enough artistic interpretation to avoid sounding like a music box or pure tone midi rendition. Likewise the interpretation is mild enough to give the listener leeway to build their own interpretation on top of canvas provided.

My son enjoys playing the cello and this book along with the audio CD is a great help.
