# The Second Arab Awakening: Revolution, Democracy, And The Islamist Challenge From Tunis To Damascus

## Synopsis

An eye-opening survey of the recent Arab revolutions and their political consequences, comparing them to those of a previous generation. When Mohamed Bouazizi set himself on fire in Sidi Bouzid, Tunisia, in December 2010, sparking a wave of popular uprisings that would topple dictatorial regimes across North Africa and the Middle East, observers hailed the onset of a great "Arab Awakening." But this wasn't the first time people in Tunisia, Egypt, and elsewhere across the region had taken to the streets demanding fundamental change. An earlier generation, in the 1950s and 1960s, rose against Arab governments that were doing the bidding of colonial powers. A generation later, many of these revolutionary heroes and their inheritors had themselves become murderous tyrants, leading the people to rebel a second time. In *The Second Arab Awakening*, distinguished academic and writer Adeed Dawisha brings a deep historical perspective to the recent Arab uprisings, tracing the fledgling and uncertain progress so far of these revolutions and the Islamist challenge that has emerged in their wake. Elegantly written, detailed yet concise, Dawisha's illuminating exploration of the threats and opportunities facing the victorious revolutionaries provides necessary perspective on a fast-changing political landscape.

## Book Information

Audible Audio Edition

Listening Length: 7 hours and 25 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: Audible Studios

Audible.com Release Date: October 28, 2013

Whispersync for Voice: Ready

Language: English

ASIN: B00FRK5T22

Best Sellers Rank: #265 in Books > Audible Audiobooks > History > World #270 in Books > Audible Audiobooks > History > Middle East #2790 in Books > Audible Audiobooks > Politics & Current Events

## Customer Reviews

Very informative on the subject! This was a great book! It was very helpful to me when writing my capstone project for my Masters Degree.

Awesome book ... very insightful! Author pieces together the many political and social issues that have lit the middle east on fire.

he is not neutral, he sided against Syrian regime without taking in consideration the geopolitical disputes and how important throwing over president Assad in achieving western agenda in the Middle East.
