Mastering German Conversation
Modal Verbs: Unit 1

by Scott Brians

Synopsis

Dear German language student, The Mastering German Conversation series is designed for students who - at a minimum - wish to be able to hold basic conversations in German. Our programs allow students to practice conversing in German to a much greater extent than what is possible in a classroom setting. The progression of the course starts with simply repeating set phrases, which anyone can do. Then, we steadily bring the student to a place where he can formulate complete and accurate sentences in real-time conversation on his own. In this unit, we focus on these modal verbs: können dürfen mögen müssen sollen wollen werden sich lassen We continue to build your vocabulary in travel and shopping. We also work on placement of up to three verbs in one sentence.
