PSI Real Estate Exam Prep 2015-2016: The Definitive Guide To Preparing For The National PSI Real Estate Exam

Synopsis

This book is intended to provide prospective real estate licensees with a thorough review of the knowledge necessary to pass the national PSI real estate exam. The text is presented precisely according to PSI's published "expanded" outline of over 170 real estate topics that may appear on the PSI exam. The author, Jim Bainbridge, is a Harvard Law School graduate, a practicing attorney, and a licensed real estate broker. He has carefully written this book to help you prepare for and pass the PSI real estate exam. The book contains:

- a comprehensive review of the real estate principles covered by the national PSI real estate exam;
- a complete 80-multiple-choice-question practice exam, with detailed answers given for all of the questions, which will allow you to assess your strengths and weaknesses and to hone your test-taking skills before exam day;
- a thorough review of the real estate math that you are expected to know for the PSI exam;
- tips on preparing for and taking the PSI exam; and
- a useful glossary of more than 600 key real estate terms for test preparation and reference.

Customer Reviews

I took the online ProSchools course and learned absolutely nothing. I bought this book and the practice exams book and studied it for a month, took the actual PSI practice exam (\$20) then took my exams. I passed both the state and the national Real Estate exams on the first try. Worked for me! My only suggestion is that they should work on the math computation section for clarity and usefulness.

I have been working with a number of real estate exam books. This is the best by far!

Comprehensive and easy to understand leading to true learning.

Perfect!! Didn't know what I would have done without this! I am a new mom trying to change careers and was having trouble finding the time to create a detailed study guide. I was overwhelmed trying to do it on my own and this book was the PERFECT solution!!

I found this book useful and helpful for the NATIONAL portion of the exam. As with pretty much all Real Estate study materials... found a few confusing typos and a contradiction...but I PASSED!!!!

I went to real estate school and learned some but after reading this PSI Prep it was much easier for me to pass my exam. I really appreciated the way the information was written Vs. the national real Estate book i had. You cant go wrong with this book just make sure you give your self at least 2 full days to study and make sure you learn the vocabulary

Quality text with practice exam and glossary. Money well spent!

I was able to pass the test (MI) on the first attempt and I believe this book was a big factor. I took the practice test in the book and pointed out my weak areas, followed by reviewing and re-taking the practice test. I would recommend this book!
