Dabtastic Dabbing

Synopsis

Ladies and Gentlemen, let me begin with a story. There was once a man that lived here on earth. Early on in his life he inherited an illness and passed away at the young age of 26 due to this illness. Years after his death doctors declared that the reason for his death was that he did not know how to dab. This is the reason I wrote this book. I do not want anyone going their entire life without learning the art of dabbing. Therefore, stop reading this and enlighten with this great book. This book is also a good book if you are known for giving funny gifts to friends and family members

Where's the pictures? I like pictures!! I also bought this for my children and they now know how to Dab thanks to this lovely book. Now we can have dabbing battles or even dabbing parties. Thank you so much Matthew for this awesome book. I would recommend this to everyone.

This book changed my life. I was a loser and now I know how to dab... And now I'm cool.

Terrible book it's racist against Jews and black people (but it's kinda kinky)
