Best Sellers Rank: #89 in Books > Audible Audiobooks > Language Instruction > French #962 in Books > Audible Audiobooks > Nonfiction > Reference #17029 in Books > Reference > Dictionaries & Thesauruses > Foreign Language Dictionaries & Thesauruses

Customer Reviews

For those of you who are intrigued by the argot tossed about in slang books like "Merde", "Merde Encore", the "Street French" series, "Streetwise French" and "Tune Up Your French", Berlitz's 94 page "Hide This French Book" will provide more than enough hip topics and expressions to satisfy even the most passionate slang junkie. Especially geared towards students and those of us who want to know evolving street speak, Berlitz actually prints a two page disclaimer as a preface warning French speaking wannabes that some of the language cited in the book is to be used sparingly and in familiar company that will not judge you as crude. With this in mind, the author, Eve-Alice Roustang-Stoller demarcates the crudest, rudest and crassest of her lingual tidbits using fetching forewarning icons of thermometers depicted as either with the mercury at a spicy half-way point to label the pretty vulgar or with the mercury bursting to the way-too-hot overspill point to indicate the totally offensive. Thankfully and shame-savily, she provides gender symbol icons to inform the reader when a phrase is to be used only when describing a particular sex and a website where one can actually hear the correct pronunciation. The book covers a wide spectrum of situations beginning with the basic greeting expressions, and moving through dating, love, sex, homosexual

life, sports, games, shopping, fashion, body parts, technology, gossiping, food, partying, friendship, entertainment and ending with 6 ultimate French gestures.
