Customer Reviews

I love this book. My only issue is that some of the pieces have measures that are missing a beat or an eighth of a beat. This messes me up quite a bit. Glad I have an instructor to point that stuff out to me!

This was for my Grandson and he was very pleased with it. It was recommended by his clarinet teacher. He wanted it for him to take to Governor's School this summer.

Perfect, had all the solos my daughter needed in one book!
