# Tribulation Force: Left Behind Series, Book 2

## Synopsis

In one cataclysmic moment, millions around the globe disappear during "the rapture". Those left behind are destined to face war, famine, plagues, and natural disasters so devastating that only one in four people will survive. Odds are even worse for enemies of the Antichrist and his new world order. Rayford Steele, Buck Williams, Bruce Barnes, and Chloe Steele band together to form the Tribulation Force. Their task is clear, and their goal is nothing less than to stand and fight the enemies of God during the seven most chaotic years the planet will ever see.

## Customer Reviews

I have completed book #2. I like the references to The Bible because I do not have a full knowledge of passages and verses. This makes me want to know exactly what The Bible is saying about topics relating to the Anti-Christ and other chapters relating to expectations in this world. I do believe that Tribulation Force talks about the challenges faced by Buck, Chloe, Rayford, Bruce, Loretta, etc. during those times. It may be something to agree or disagree with if it were truly real. I know and like the idea of the mixture of truth and fiction. Tribulation Force makes you see the importance of strengthening your faith, beliefs and asking questions that need answers. I am presently finishing up book #3 showing how Nicolae starts to show who he really is. People in Tribulation Force thought that Nicole was the best that might ever come along. He was so perfect, and that was part of the problem because he led everyone to think he was "perfect." They believed he was The Messiah. He wreaks havoc over nations and has people doing things they do not even recognize as wrong. He

delights in his power. Some of the same things could be happening in this day and age. I am certain there are Nicole's (as in the Left Behind series) in this world and may be hard to recognize. The Left Behind series started with a referral from a friend. Once I started it, I have told others and they are wrapped up in the books. None of the books are to be taken, in my estimation, literally. The references to The Bible are fact, but the interpretation may not be. It gives me a reason to go and read further; it gives me more basis to listen carefully when our minister is giving his sermon and each book makes me strengthen my faith.
