Customer Reviews

The only thing "bad" about this book is that it doesn't have a piano accompaniment book that goes along with this. The songs are written perfectly and they're easy to perform too. This book is made for a beginner looking to play some fun and well-known' songs.

My daughter LOVES the music from Phantom of the Opera. This book of sheet music from her favorite musical has been wonderful. She plays it all the time. While it might be easy for some flute players, it was perfect for my daughter. So much enchanting music of the night!

The sheet music itself is great, but I wasn't expecting the book to look so used. In reality it probably hasn't ever been used, but it looks at least 20 years old and the faded front cover is creased, probably from being in storage for a long time.

I purchased this music book for my thirteen-year-old daughter. She is an intermediate flute player, and she found the arrangements easy to play and she enjoys using this book. I was slightly

disappointed in the appearance of the book, as it was a little faded and I had intended to give it as a gift. Overall, however, I am pleased with this purchase.

Some songs have been transposed. I like to play along to my CD in order to keep on tempo, but a few of these songs have been transposed. The difference in the key really bothers me, because I know the songs so well. Otherwise, it's a great product, with a great list of songs that are quite easy and fun to play along to.

I bought this book, hoping to have a challenge, but also be able to read, play, and understand the material. DEFINITELY ideal for intermediate players, proves to be a fun and exciting challenge, sounds great when played! Ideal gift for a flute player you know!

I've always been a fan of all the Phantom of the Opera songs. I got this as a Christmas gift and I love it!!! All the songs are fairly easy some of them are harder. I can also play these songs on my piccolo!!

I live this music. I sang it in school. Always wanted the music to play. Great piece. the only thing is I wish it had the cd to go with it. I would like to play along with it. I do not remember how come of it goes.
