Customer Reviews

this is a real time pass game,It seems to be fair easy in the begining but gets tough when we proceed further.this guide gave me various tricks and hacks to pass the difficulties of the game with ease.After reading tricks from this guide i made alot of progress in this game.

Full and compelling guide for the game. Flow free captured me from the first game. It seems simple at first, but the further you get, the more difficult to connect the tubes.. And it drove me crazy, when I wasn't able doing it. That's why this book is so necessary.

Wow very interesting game I am playing it on a daily bases and never gets bored. Guide is well written it helps a lot. Definitely worth the money.

A GREAT guide! If you want to know all the tips, tricks and everything in between, this is the guide for you.
