What Safety Leaders Do - - The Insider's Handbook For Safety Leadership Tips, Tactics, Secrets & Ideas

Synopsis

Today there is a procedure for everything that is important. Yet, more than 99% of groups fail to have a road map for safety leadership. The reason is that leadership is different. While most of those other procedures are "one size fits all," safety leadership is not. Each team, work group, and company has a different culture, history, exposures and corporate structure which means there isn't a cookie cutter mold to safety leadership. To be successful, each organization must customize their program to fit their unique organization. To effectively "customize" your company's safety leadership program, you first need access to all of the cutting edge leadership tactics, tips and secrets - - which is exactly what this book provides! Then, you can pick the ideas that are right for your group; putting proven methods to work for you - - to get the results you have always aimed to achieve.

Customer Reviews

ok

A good basic overview. Some practical suggestions, a lot of "common sense" a few new ideas.

Practical and straightforward. Well written and employable to read. Recommend for all safety professionals. Well worth the price, enjoy the book.

Wonderful and well researched.
