Customer Reviews

I play a floor size lever (Celtic) harp. I love that this book has 2 variations of both songs: One song is written for lever harps tuned either to the key of C (no flats) and for lever harps tuned to 3 flats. The other song has one version for beginners and another for intermediate harp players - it also mentions that it can be played on the smaller lap-sized harps (although I don't play a lap harp so I can't comment on that). I have played the harp for about a year now, and these arrangements are - with a little practice ;) - within my ability. A great book for Peanuts fans or just folks who love Christmas music!
