Customer Reviews

I love this book. It is a great level 4-5 piano book with something for every pianist to enjoy.

Very happy to find out-of-print songbook book here. Came quickly & in excellent condition. Thanks!

A great collection featuring Mancini's best! I've been playing from this book for years and love it. It tops all of the other Mancini songbooks out on the market.

Most of the toons I had hoped for were not covered. There was alot of filler stuff like to make another sale. It cost me [...] bucks and there were only around 4 or 5 tunes that I could even use. When I was young I remember stuff like "Sallys Tomato" really hip songs. But none of those were covered only lame stuff. NOT RECOMMENDED
