Baltimore And Ohio Railroad 2017 Calendar

Synopsis

In 1827, the Baltimore and Ohio Rail Road Co. became America's first chartered railroad. Innovation followed as the B&O operated the first American-built locomotive, constructed the first station, sold the first passenger tickets, published the first timetable, and became the first line to reach the Ohio River from the east coast. This calendar features the line's classic steam engines and more.

Book Information
