Customer Reviews

If you're experienced with AdSense and blogging this may not appeal to you but I'm not experienced and I really liked the book. I read it in a few hours. Was so helpful and funny I kept trying to put it down and go to sleep because it's late. Had techniques and info I didn't know about SEO and some

really great resources too. I actually took notes. I like his writing style. Reads more like a conversation. Well it's 1:03 am. Gotta get some sleep now.

This is a good book and a well articulated plan to make one hundred dollars a day with Google adsense. 5 stars
